Join us for an introduction to the thrilling sport of fencing. Head coach, Vladimir Ostadnigrosh, former fencing coach at Stanford University and Ukrainian National Champion will direct each session. Beginning with basic footwork, students will advance to sword techniques, tactics, and strategy as they learn the intricacies of this exciting NCAA and Olympic sport.

All USFA safety equipment will be provided, including mask, jacket, glove and rubber-tipped foil. Students will need to wear loose fitting pants and tennis shoes.

Open to boys and girls ages 8 and older. Each four-day camp runs Monday through Thursday, 9am to 12pm. Participants should bring water or a sport drink to stay well hydrated.

Tuition \$220
